13th European Zebrafish Meeting

7– 11 July 2026, Vienna

WELCOME

Dear Industry partners,

We cordially invite you to join us for the **13th European Zebrafish Meeting** taking place in Vienna, Austria from 7-11 July 2026.

Like previous meetings, this will have its own local flavor, but the unifying scheme over the years is the outstanding and topically diverse science that is on display. EZM2026 will feature a comprehensive programme: plenary and parallel sessions, interactive workshops, and prestigious award lectures will draw zebrafish researchers from around the globe. A highlight of the meeting will be the networking and celebratory reception on the final evening, set in the magnificent “Festsaal” of the historic Vienna City Hall.

We are pleased to offer a range of sponsorship and exhibition opportunities for EZM2026, designed to maximize your visibility within the zebrafish research community and beyond. A variety of sponsorship packages, along with additional customisable options, ensures that your company receives exposure tailored to its specific needs. For advertising, exhibiting and sponsorship opportunities, please contact ezm2026@wma.co.at.

We sincerely thank you for considering your active support, which plays a vital role in the success of the meeting, and look forward to welcoming you in Vienna!
